4.3 **Appropriation.** Funding under this Agreement is conditional upon an appropriation of moneys by the Legislature of Ontario to the MOHLTC and funding of the LHIN by the MOHLTC pursuant to the Act. If the LHIN does not receive its anticipated funding the LHIN will not be obligated to make the payments required by this Agreement.

(b) Interest Income must be used, within the fiscal year in which it is received, to provide the Services.

(c) Interest Income will be reported to the LHIN and is subject to year-end reconciliation. In the event that some or all of the Interest Income is not used to provide the Services,

(2) the LHIN may require the HSP to pay an amount equal to the unused Interest Income to the Ministry of Finance.

4.7 **Rebates, Credits and Refunds**. The HSP:

(a) acknowledges that rebates, credits and refunds it anticipates receiving from the use of the Funding have been incorporated in its Budget;

(b) agrees that it will advise the LHIN if it receives any unanticipated rebates, credits and refunds from the use of the Funding, or from the use of funding received from either the LHIN or the MOHLTC in years prior to this Agreement that was not recorded in the year of the related expenditure;

(c) agrees that all rebates, credits and refunds referred to in (b) will be considered Funding in the year that the rebates are received, regardless of the year to which the rebate relates.

4.8 **Procurement of Goods and Services**.

(a) If the HSP is subject to the procurement provisions of the BPSAA, the HSP will abide by all directives and guidelines issued by the Management Board of Cabinet that are applicable to the HSP pursuant to the BPSAA.

(b) If the HSP is not subject to the procurement provisions of the BPSAA, the HSP will have a procurement policy in place that requires the acquisition of supplies, equipment or services valued at over $25,000 through a competitive process that ensures the best value for funds expended. If the HSP acquires supplies, equipment or services with the Funding it will do so through a process that is consistent with this policy.

4.9 **Disposition**. The HSP will not, without the LHIN's prior written consent, sell, lease or otherwise dispose of any assets purchased with Funding, the cost of which exceeded $25,000 at the time of purchase.

(d) **As a Result of Performance Management or System Planning**. If Services are adjusted, as a result of the performance management or system planning processes, the LHIN may adjust the Funding to be paid under Schedule B, require the repayment of excess Funding and/or adjust the amount of any future funding installments accordingly.

(e) **In the Event of Forecasted Surpluses**. If the HSP is forecasting a surplus, the LHIN may adjust the amount of Funding to be paid under Schedule B, require the repayment of excess Funding and/or adjust the amount of any future funding installments accordingly.

(f) **On the Request of the LHIN**. The HSP will, at the request of the LHIN, repay the whole or any part of the Funding, or an amount equal thereto if the HSP:

(1) has provided false information to the LHIN knowing it to be false;

(2) breaches a term or condition of this Agreement and does not, within 30 Days after receiving Notice from the LHIN take reasonable steps to remedy the breach; or

(3) breaches any Applicable Law that directly relates to the provision of, or ensuring the provision of, the Services.

(g) Subsections 5.1(c) and (d) do not apply to Funding already expended properly in accordance with this Agreement. The LHIN will, at its sole discretion, and without liability or penalty, determine whether the Funding has been expended properly in accordance with this Agreement.

5.2 **Provision for the Recovery of Funding.** The HSP will make reasonable and prudent provision for the recovery by the LHIN of any Funding for which the conditions of Funding set out in section 4.5 are not met and will hold this Funding in accordance with the provisions of section 4.6 until such time as reconciliation and settlement has occurred with the LHIN. Interest earned on Funding will be reported and recovered in accordance with section 4.6.

5.3 **Settlement and Recovery of Funding for Prior Years.**

(a) The HSP acknowledges that settlement and recovery of Funding can occur up to seven years after the provision of Funding.

(b) Recognizing the transition of responsibilities from the MOHLTC to the LHIN, the HSP agrees that if the Parties are directed in writing to do so by the MOHLTC, the LHIN will settle and recover funding provided by the MOHLTC to the HSP prior to the transition of the Funding for the Services to the LHIN, provided that such settlement and recovery occurs within seven years of the provision of the funding by the MOHLTC. All such settlements and recoveries will be subject to the terms applicable to the original provision of funding.

5.4 **Debt Due**.

(a) If the LHIN requires the re-payment by the HSP of any Funding, the amount required will be deemed to be a debt owing to the Crown by the HSP. The LHIN may adjust future funding instalments to recover the amounts owed or may, at its discretion direct the HSP to pay the amount owing to the Crown and the HSP shall comply immediately with any such direction.

(b) All amounts repayable to the Crown will be paid by cheque payable to the "Ontario Minister of Finance" and mailed or delivered to the LHIN at the address provided in section 13.1.

5.5 **Interest Rate.** The LHIN may charge the HSP interest on any amount owing by the HSP at the then current interest rate charged by the Province of Ontario on accounts receivable.

ARTICLE 6.0- PLANNING & INTEGRATION

6.1 **Planning for Future Years**.

(a) **Advance Notice.** The LHIN will give at least sixty Days' Notice to the HSP of the date by which a Community Accountability Planning Submission ("CAPS"), approved by the HSP's governing body, must be submitted to the LHIN.

(b) **Multi-Year Planning.** The CAPS will be in a form acceptable to the LHIN and may be required to incorporate (1) prudent multi-year financial forecasts; (2) plans for the achievement of performance targets; and (3) realistic risk

management strategies. It will be aligned with the LHIN's then current Integrated Health Service Plan and will reflect local LHIN priorities and initiatives. If the LHIN has provided multi-year planning targets for the HSP, the CAPS will reflect the planning targets.

(c) **Multi-year Planning Targets**. Schedule B may reflect an allocation for the first Funding Year of this Agreement as well as planning targets for up to two additional years, consistent with the term of this Agreement. In such an event,

(1) the HSP acknowledges that if it is provided with planning targets, these targets are: (A) targets only, (B) provided solely for the purposes of planning, (C) are subject to confirmation, and (D) may be changed at the discretion of the LHIN in consultation with the HSP. The HSP will proactively manage the risks associated with multi-year planning and the potential changes to the planning targets; and

(2) the LHIN agrees that it will communicate any changes to the planning targets as soon as reasonably possible.

(d) **Service Accountability Agreements**. The HSP acknowledges that if the LHIN and the HSP enter into negotiations for a subsequent service accountability agreement, subsequent funding may be interrupted if the next service accountability agreement is not executed on or before the expiration date of this Agreement.

6.2 **Community Engagement & Integration Activities**.

(a) Community Engagement. The HSP will engage the community of diverse persons and entities in the area where it provides health services when setting priorities for the delivery of health services and when developing plans for submission to the LHIN including but not limited to CAPS and integration proposals.

(b) Integration. The HSP will, separately and in conjunction with the LHIN and other health service providers, identify opportunities to integrate the services of the local health system to provide appropriate, co-coordinated, effective and efficient services.

(c) Reporting. The HSP will report on its community engagement and integration activities as requested by the LHIN and in any event, in its year-end report to the LHIN.

6.3 **Planning and Integration Activity Pre-proposals**

(a) **General**. A pre-proposal process has been developed to: (1) reduce the costs incurred by an HSP when proposing operational or service changes; (2) assist the HSP to carry out its statutory obligations; and (3) enable an effective and efficient response by the LHIN. Subject to specific direction from the LHIN, this pre-proposal process will be used in the following instances:

(1) the HSP is considering an integration or an integration of services, as defined in the Act between the HSP and another person or entity;

(2) the HSP is proposing to reduce, stop, start, expand or transfer the location of Services, which for certainty includes: the transfer of Services from the HSP to another person or entity whether within or outside of the LHIN; and the relocation or transfer of Services from one of the HSP's sites to another of the HSP's sites whether within or outside of the LHIN;

(3) to identify opportunities to integrate the services of the local health system, other than those identified in (1) or (2) above; or

(4) if requested by the LHIN.

(b) **LHIN Evaluation of the Pre-proposal**. Use of the pre-proposal process is not formal Notice of a proposed integration under section 27 of the Act. LHIN consent to develop the project concept outlined in a pre-proposal does not constitute approval to proceed with the project. Nor does LHIN consent to develop a project concept presume the issuance of a favourable decision, should such a decision be required by sections 25 or 27 of the Act. Following the LHIN's review and evaluation, the HSP may be invited to submit a detailed proposal and a business plan for further analysis. Guidelines for the development of a detailed proposal and business case will be provided by the LHIN.

6.4 **Proposing Integration Activities in the Planning Submission**. No integration activity described in section 6.3 may be proposed in a CAPS unless the LHIN has consented, in writing, to its inclusion pursuant to the process set out in subsection 6.3(b).

6.5 **Definitions.** In this section 6.0, the terms "integrate", "integration" and "services" have the same meanings attributed to them in subsection 2(1) and section 23 respectively of the Act, as it and they may be amended from time to time.

(a) "service" includes,

(1) a service or program that is provided directly to people,

(2) a service or program, other than a service or program described in clause (a), that supports a service or program described in that clause, or

(3) a function that supports the operations of a person or entity that provides a service or program described in clause (a) or (b).

(b) "integrate" includes,

(1) to co-ordinate services and interactions between different persons and entities,

(2) to partner with another person or entity in providing services or in operating,

(3) to transfer, merge or amalgamate services, operations, persons or entities,

(4) to start or cease providing services,

(5) to cease to operate or to dissolve or wind up the operations of a person or entity,

(c) and “integration” has a similar meaning.

(3) indicate whether the Party is requesting a meeting to discuss the Performance Factor; and

(4) address any other issue or matter the Party wishes to raise with the other Party.

(b) The recipient Party will provide a written acknowledgment of receipt of the Notice within seven Days of the date on which the Notice was received (“Date of the Notice”).

(c) Where a meeting has been requested under paragraph 7.2(a)(3), the Parties agree to meet and discuss the Performance Factors within fourteen Days of the Date of the Notice, in accordance with the provisions of section 7.3.

7.3 **Performance Meetings** During a meeting on performance, the Parties will:

(a) discuss the causes of a Performance Factor;

(b) discuss the impact of a Performance Factor on the local health system and the risk resulting from non-performance; and

(c) determine the steps to be taken to remedy or mitigate the impact of the Performance Factor (the "Performance Improvement Process").

7.4 **The Performance Improvement Process**.

(a) The Performance Improvement Process will focus on the risks of non-performance and problem-solving. It may include one or more of the following actions:

(1) a requirement that the HSP develop and implement an improvement plan that is acceptable to the LHIN;

(2) the conduct of a Review;

(3) a revision and amendment of the HSP's obligations; and/or

(4) an in-year, or year-end, adjustment to the Funding,

among other possible means of responding to the Performance Factor or improving performance.

(b) Any performance improvement process begun under a prior service accountability agreement that was not completed under the prior agreement will continue under this Agreement. Any performance improvement required by a LHIN under a prior service accountability agreement will be deemed to be a requirement of this Agreement until fulfilled or waived by the LHIN.

ARTICLE 8.0- REPORTING, ACCOUNTING AND REVIEW

8.1 **Reporting**.

(a) **Generally.** The LHIN's ability to enable its local health system to provide appropriate, co-ordinated, effective and efficient health services, as contemplated by the Act, is heavily dependent on the timely collection and analysis of accurate information. If the HSP is not required to provide services to the public in French under the provisions of the *French Language Service Act*, it will be required to provide a report to the LHIN that outlines how the HSP addresses the needs of its local Francophone community.

(d) **Declaration of Compliance.** Within 90 days of the HSP's fiscal year-end, the Board will issue a Compliance Declaration declaring that the HSP has complied with the terms of this Agreement. The form of the declaration is set out in Schedule G and may be amended by the LHIN from time to time through the term of this Agreement.

(e) **Financial Reductions.** Notwithstanding any other provision of this Agreement, and at the discretion of the LHIN, the HSP may be subject to a financial reduction in any of the following circumstances:

(1) its CAPS is received after the due date;

(2) its CAPS is incomplete;

(3) the quarterly performance reports are not provided when due; or

(4) financial or clinical data requirements are late, incomplete or inaccurate,

where the errors or delay were not as a result of LHIN actions or inaction. If assessed, the financial reduction will be as follows:

(1) if received within 7 days after the due date, incomplete or inaccurate, the financial penalty will be the greater of (1) a reduction of 0.02 percent (0.02%) of the Funding; or (2) two hundred and fifty dollars ($250.00); and

(2) for every full or partial week of non-compliance thereafter, the rate will be one half of the initial reduction.

8.2 **Reviews**.

(a) During the term of this Agreement and for seven years after the term of this Agreement, the HSP agrees that the LHIN or its authorized representatives may conduct a Review of the HSP to confirm the HSP's fulfillment of its obligations under this Agreement. For these purposes the LHIN or its authorized representatives may, upon twenty-four hours' Notice to the HSP and during normal business hours enter upon the HSP's premises to:

(1) inspect and copy any financial records, invoices and other finance-related documents, other than personal health information as defined in subsection 31(5) of the CFMA, in the possession or under the control of the HSP which relate to the Funding or otherwise to the Services; and

(2) inspect and copy non-financial records, other than personal health information as defined in subsection 31(5) of the CFMA, in the possession or under the control of the HSP which relate to the Funding, the Services or otherwise to the performance of the HSP under this Agreement.

(b) The cost of any Review will be borne by the HSP if the Review: (1) was made necessary because the HSP did not comply with a requirement under the Act or this Agreement; or (2) indicates that the HSP has not fulfilled its obligations under this Agreement, including its obligations under Applicable Law and Applicable Policy.

(c) To assist in respect of the rights set out in (a) above, the HSP shall disclose any information requested by the LHIN or its authorized representatives, and shall do so in a form requested by the LHIN or its authorized representatives.

(d) The HSP may not commence a proceeding for damages or otherwise against any person with respect to any act done or omitted to be done, any conclusion reached or report submitted that is done in good faith in respect of a Review.

(e) HSP's obligations under this section 8.2 will survive any termination or expiration of this Agreement.

8.3 **Document Retention and Record Maintenance**. The HSP will

(a) retain all records (as that term is defined in FIPPA) related to the HSP's performance of its obligations under this Agreement for seven years after the termination or expiration of the term of this Agreement. The HSP's obligations under this paragraph will survive any termination or expiry of this Agreement;

(b) keep all financial records, invoices and other finance-related documents relating to the Funding or otherwise to the Services in a manner consistent with either generally accepted accounting principles or international financial reporting standards as advised by the HSP's auditor; and

(c) keep all non-financial documents and records relating to the Funding or otherwise to the Services in a manner consistent with all Applicable Law.

8.4 **Disclosure of Information**.

(a) **FIPPA**. The HSP acknowledges that the LHIN is bound by FIPPA and that any information provided to the LHIN in connection with this Agreement may be subject to disclosure in accordance with FIPPA.

(b) **Confidential Information**. The Parties will treat Confidential Information as confidential and will not disclose Confidential Information except with the consent of the disclosing Party or as permitted or required under FIPPA or the *Personal Health Information Protection Act, 2004*, the Act, court order, subpoena or other Applicable Law. Notwithstanding the foregoing, the LHIN may disclose information that it collects under this Agreement in accordance with the Act and the CFMA.

8.5 **Transparency.** The HSP will post a copy of this Agreement and each Compliance Declaration submitted to the LHIN during the term of this Agreement in a conspicuous and easily accessible public place at its sites of operations to which this Agreement applies and on its public website, if the HSP operates a public website.

8.6 **Auditor General**. For greater certainty the LHIN's rights under this article are in addition to any rights provided to the Auditor General under the *Auditor General Act* (Ontario).

ARTICLE 9.0- ACKNOWLEDGEMENT OF LHIN SUPPORT

9.1 **Publication.** For the purposes of this Article 9, the term "publication" means any material on or concerning the Services that the HSP makes available to the public, regardless of whether the material is provided electronically or in hard copy. Examples include a web-site, an advertisement, a brochure, promotional documents and a report. Materials that are prepared by the HSP in order to fulfil its reporting obligations under this Agreement are not included in the term "publication".

9.2 **Acknowledgment of Funding Support.**

(a) The HSP agrees all publications will include

(1) an acknowledgment of the Funding provided by the LHIN and the Government of Ontario. Prior to including an acknowledgement in any publication, the HSP will obtain the LHIN's approval of the form of acknowledgement. The LHIN may, at its discretion, decide that an acknowledgement is not necessary; and

(2) a statement indicating that the views expressed in the publication are the views of the HSP and do not necessarily reflect those of the LHIN or the Government of Ontario.

(b) The HSP shall not use any insignia or logo of Her Majesty the Queen in right of Ontario, including those of the LHIN, unless it has received the prior written permission of the LHIN to do so.

The Indemnified Parties will not be liable to the HSP or any of the HSP's Personnel and Volunteers for costs, losses, claims, liabilities and damages howsoever caused arising out of or in any way related to the Services or otherwise in connection with this Agreement, unless caused by the negligence or wilful act of any of the Indemnified Parties.

11.2 **Ibid**. For greater certainty and without limiting section 11.1, the LHIN is not liable for how the HSP and the HSP's Personnel and Volunteers carry out the Services and is therefore not responsible to the HSP for such Services. Moreover the LHIN is not contracting with or employing any HSP's Personnel and Volunteers to carry out the terms of this Agreement. As such, it is not liable for contracting with, employing or terminating a contract with or the employment of any HSP's Personnel and Volunteers required to carry out this Agreement, nor for the withholding, collection or payment of any taxes, premiums, contributions or any other remittances due to government for the HSP's Personnel and Volunteers required by the HSP to carry out this Agreement.

11.3 **Indemnification**. The HSP hereby agrees to indemnify and hold harmless the Indemnified Parties from and against any and all liability, loss, costs, damages and expenses (including legal, expert and consultant costs), causes of action, actions, claims, demands, lawsuits or other proceedings (collectively, the "Claims"), by whomever made, sustained, brought or prosecuted (including for third party bodily injury (including death), personal injury and property damage), in any way based upon, occasioned by or attributable to anything done or omitted to be done by the HSP or the HSP's Personnel and Volunteers, in the course of the performance of the HSP's obligations under, or otherwise in connection with, this Agreement, unless caused by the negligence or wilful misconduct of any Indemnified Parties.

11.4 **Insurance**.

(a) **Generally.** The HSP shall protect itself from and against all claims that might arise from anything done or omitted to be done by the HSP and the HSP's

Personnel and Volunteers under this Agreement and more specifically all claims that might arise from anything done or omitted to be done under this Agreement where bodily injury (including personal injury), death or property damage, including loss of use of property is caused.

(b) **Required Insurance.** The HSP will put into effect and maintain, with insurers having a secure A.M. Best rating of B+ or greater, or the equivalent, all necessary and appropriate insurance that a prudent person in the business of the HSP would maintain, including, but not limited to, the following at its own expense:

(1) Commercial General Liability Insurance, for third party bodily injury, personal injury and property damage to an inclusive limit of not less than two million dollars per occurrence and not less than two million dollars products and completed operations aggregate. The policy will include the following clauses:

f. Tenants Legal Liability; (for premises/building leases only);
g. Non-Owned automobile coverage with blanket contractual coverage for hired automobiles; and,
h. A thirty-Day written notice of cancellation, termination or material change.

(2) Proof of WSIA Coverage. The HSP will provide the LHIN with a valid Workplace Safety and Insurance Act, 1997 (WSIA) Clearance Certificate and any renewal replacements, and will pay all amounts required to be paid to maintain a valid WSIA Clearance Certificate throughout the term of this Agreement.

(c) **Certificates of Insurance.** The HSP will provide the LHIN with proof of the insurance required by this Agreement in the form of a valid certificate of

insurance that references this Agreement and confirms the required coverage, on or before the commencement of this Agreement, and renewal replacements on or before the expiry of any such insurance. Upon the request of the LHIN, a copy of each insurance policy shall be made available to it. The HSP shall ensure that each of its subcontractors obtains all the necessary and appropriate insurance that a prudent person in the business of the subcontractor would maintain and that the Indemnified Parties are named as additional insureds with respect to any liability arising in the course of performance of the subcontractor's obligations under the subcontract.

ARTICLE 12.0- TERMINATION OF AGREEMENT

12.1 **Termination by the LHIN**.

(a) **Without Cause.** The LHIN may terminate this Agreement at any time, for any reason, upon giving at least sixty Days' Notice to the HSP.

(b) **Where No Appropriation**. If, as provided for in section 4.3, the LHIN does not receive the necessary funding from the MOHLTC, the LHIN may terminate this Agreement immediately by giving Notice to the HSP.

(c) **For Cause.** The LHIN may terminate this Agreement immediately upon giving Notice to the HSP if:

(1) in the opinion of the LHIN:

a. the HSP has knowingly provided false or misleading information regarding its funding request or in any other communication with the LHIN;
b. the HSP breaches any material provision of this Agreement;
c. the HSP is unable to provide or has discontinued the Services; or
d. it is not reasonable for the HSP to continue to provide the Services;

(2) the nature of the HSP's business, or its corporate status, changes so that it no longer meets the applicable eligibility requirements of the program under which the LHIN provides the Funding;

(3) the HSP makes an assignment, proposal, compromise, or arrangement for the benefit of creditors, or is petitioned into bankruptcy, or files for the appointment of a receiver; or

(4) the HSP ceases to carry on business.

(d) **Material Breach.** A breach of a material provision of this Agreement includes, but is not limited to:

(1) misuse of Funding;

(2) a failure or inability to provide the Services as set out in the Service Plan;

(3) a failure to provide the Compliance Declaration;

(4) a failure to implement, or follow, a Performance Agreement, Performance Improvement Process or a Transition Plan;

(5) a failure to respond to LHIN requests in a timely manner;

(6) a failure to: A) advise the LHIN of actual, potential or perceived Conflict of Interest; or B) comply with any requirements prescribed by the LHIN to resolve a Conflict of Interest; and

(7) a Conflict of Interest that cannot be resolved.

(e) **Transition Plan**. In the event of termination by the LHIN pursuant to this subsection, the LHIN and the HSP will develop a transition plan, acceptable to the LHIN that indicates how the needs of the HSP's clients will be met following the termination and how the transition of the clients to new service providers will be effected in a timely manner ("Transition Plan"). The HSP agrees that it will take all actions, and provide all information, required by the LHIN to facilitate the transition of the HSP's clients.

12.2 **Termination by the HSP**.

(a) The HSP may terminate this Agreement at any time, for any reason, upon giving six months' Notice (or such shorter period as may be agreed by the HSP and the LHIN) to the LHIN provided that the Notice is accompanied by:

(1) satisfactory evidence that the HSP has taken all necessary actions to authorize the termination of this Agreement; and

(2) a Transition Plan, acceptable to the LHIN, that indicates how the needs of the HSP's clients will be met following the termination and how the transition of the clients to new service providers will be effected within the six month Notice period.

(b) In the event that the HSP fails to provide an acceptable Transition Plan, the LHIN may reduce Funding payable to the HSP prior to termination of this Agreement to compensate the LHIN for transition costs.

12.3 **Opportunity to Remedy**.

(a) **Opportunity to Remedy.** If the LHIN considers that it is appropriate to allow the HSP an opportunity to remedy a breach of this Agreement, the LHIN may give the HSP an opportunity to remedy the breach by giving the HSP Notice of the particulars of the breach and of the period of time within which the HSP is

required to remedy the breach. The Notice will also advise the HSP that the LHIN will terminate this Agreement:

(1) at the end of the Notice period provided for in the Notice if the HSP fails to remedy the breach within the time specified in the Notice; or

(2) prior to the end of the Notice period provided for in the Notice if it becomes apparent to the LHIN that the HSP cannot completely remedy the breach within that time or such further period of time as the LHIN considers reasonable, or the HSP is not proceeding to remedy the breach in a way that is satisfactory to the LHIN.

(b) **Failure to Remedy.** If the LHIN has provided the HSP with an opportunity to remedy the breach, and:

(1) the HSP does not remedy the breach within the time period specified in the Notice;

(2) it becomes apparent to the LHIN that the HSP cannot completely remedy the breach within the time specified in the Notice or such further period of time as the LHIN considers reasonable; or

(3) the HSP is not proceeding to remedy the breach in a way that is satisfactory to the LHIN,

(c) then the LHIN may immediately terminate this Agreement by giving Notice of termination to the HSP.

12.4 **Consequences of Termination**.

(a) If this Agreement is terminated pursuant to this Article, the LHIN may:

(1) cancel all further Funding instalments;

(2) demand the repayment of any Funding remaining in the possession or under the control of the HSP;

(3) determine the HSP's reasonable costs to wind down the Services; and

(4) permit the HSP to offset the costs determined pursuant to subsection (3), against the amount owing pursuant to subsection (2).

12.5 **Effective Date.** Termination under this Article will take effect as set out in the Notice.

12.6 **Corrective Action.** Despite its right to terminate this Agreement pursuant to this Article, the LHIN may choose not to terminate this Agreement and may take whatever corrective action it considers necessary and appropriate, including suspending Funding for such period as the LHIN determines, to ensure the successful completion of the Services in accordance with the terms of this Agreement.

14.2 **Invalidity or Unenforceability of Any Provision**. The invalidity or unenforceability of any provision of this Agreement will not affect the validity or enforceability of any other

provision of this Agreement and any invalid or unenforceable provision will be deemed to be severed.

14.3 **Terms and Conditions on Any Consent**. Any consent or approval that the LHIN may grant under this Agreement is subject to such terms and conditions as the LHIN may reasonably require.

14.4 **Waiver**. A Party may only rely on a waiver of the Party's failure to comply with any term of this Agreement if the other Party has provided a written and signed Notice of waiver. Any waiver must refer to a specific failure to comply and will not have the effect of waiving any subsequent failures to comply.

14.5 **Parties Independent**. The Parties are and will at all times remain independent of each other and are not and will not represent themselves to be the agent, joint venturer, partner or employee of the other. No representations will be made or acts taken by either Party which could establish or imply any apparent relationship of agency, joint venture, partnership or employment and neither Party will be bound in any manner whatsoever by any agreements, warranties or representations made by the other Party to any other person or entity, nor with respect to any other action of the other Party.

14.6 **LHIN is an Agent of the Crown**. The Parties acknowledge that the LHIN is an agent of the Crown and may only act as an agent of the Crown in accordance with the provisions of the Act. Notwithstanding anything else in this Agreement, any express or implied reference to the LHIN providing an indemnity or any other form of indebtedness or contingent liability that would directly or indirectly increase the indebtedness or contingent liabilities of the LHIN or of Ontario, whether at the time of execution of this Agreement or at any time during the term of this Agreement, will be void and of no legal effect.

14.7 **Express Rights and Remedies Not Limited**. The express rights and remedies of the LHIN are in addition to and will not limit any other rights and remedies available to the LHIN at law or in equity. For further certainty, the LHIN has not waived any provision of any applicable statute, including the Act and the CFMA, nor the right to exercise its rights under these statutes at any time.

14.8 **No Assignment**. The HSP will not assign this Agreement or the Funding in whole or in part, directly or indirectly, without the prior written consent of the LHIN. No assignment or subcontract shall relieve the HSP from its obligations under this Agreement or impose any liability upon the LHIN to any assignee or subcontractor. The LHIN may assign this Agreement or any of its rights and obligations under this Agreement to any one or more of the LHINs or to the MOHLTC.

14.9 **Governing Law.** This Agreement and the rights, obligations and relations of the Parties hereto will be governed by and construed in accordance with the laws of the Province

of Ontario and the federal laws of Canada applicable therein. Any litigation arising in connection with this Agreement will be conducted in Ontario unless the Parties agree in writing otherwise.

14.12 **Amendment of Agreement**. This Agreement may only be amended by a written agreement duly executed by the Parties.

14.13 **Counterparts**. This Agreement may be executed in any number of counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument.

Dear Mr. Chartrand:

Re: 2014-17 Multi-Sector Service Accountability Agreement

When the North Simcoe Muskoka Local Health Integration Network (the "LHIN") and Collingwood General and Marine Hospital (the "HSP") entered into a service accountability agreement for a three-year term effective April 1, 2014 (the "MSAA"), the budgeted financial data, service activities and performance indicators for the second and third year of the agreement (fiscal years 2015/16 and 2016/17) were replicated based on 2014/15 planning assumptions. The LHIN would now like to update the MSAA to include the required financial, service activity and performance expectations for 2015/16 fiscal year to Schedules B, C, D and E.

Subject to HSP's agreement, the MSAA will be amended with effect April 1, 2015, by adding the amended Schedules B, C, D and E (the "Schedules") that are included as an appendix to this letter.

To the extent that there are any conflicts between the current MSAA and this amendment, the amendment will govern in respect of the Schedules. All other terms and conditions in the MSAA will remain the same.

Please indicate the HSP's acceptance of, and agreement to this amendment, by signing below and returning one copy of this letter via email to Christine.Hunter-Dennis@lhins.on.ca **by March 31st, 2015.**

If you have any questions or concerns, please contact Kinsa.MawNaing@lhins.on.ca via email or by phone at 1-866-903-5446 ext. 213.

The LHIN appreciates your and your team's collaboration and hard work during this 2015/16 MSAA refresh process. We look forward to maintaining a strong working relationship with you.

Sincerely,

Jill Tettmann
Chief Executive Officer

LHIN-SPECIFIC PERFORMANCE OBLIGATIONS

System Collaboration on Health Systems Planning and Design

Health Service Providers are required to collaborate with system partners to support the development of an integrated system of health services that provides person-centred, timely, equitable, accessible, high quality, and evidence-based services in an efficient, effective and sustainable manner. (Referred to as "Care Connections - Partnering for Healthy Communities" and "Care Connections Second Curve").

To ensure optimal alignment across the region, the Health Service Provider agrees that the development and submission of organizational plans and proposals to the LHIN will incorporate, where applicable, the following considerations:

- The needs of patients, clients and/or residents
- NSM LHIN System priorities (as outlined in the NSM LHIN Integrated Health Services Plan (IHSP), NSM LHIN Annual Business Plans, and NSM LHIN Annual CEO deliverables as posted on the NSM LHIN website)
- Feedback from LHIN Leadership Council and relevant Coordinating Councils

The Health Service Provider understands that as a partner in the local health system, it has an ongoing obligation to participate in the work and initiatives of all Coordinating Councils and Project Steering Committees, to the extent that it is able without impacting its capacity to meet its other obligations under this agreement. Such initiatives include, but are not limited to:

- Participation and collaboration of a LHIN-approved senior executive as a member of the oversight council ("referred to as the "Leadership Council"), a Coordinating Council and/or a Project Steering Committee to implement such recommendations as are agreed to by the Leadership Council and NSM LHIN Board of Directors
- Identification of Coordinating Council project leads and/or project champions
- Participation in regional/provincial planning and implementation groups
- Specific obligations as may be specified as a condition of participation in Council initiatives (outlined in the Project Charter for the initiative)

Risk Management Reporting to the LHIN

HSP Boards will ensure that:

- The health service provider has an organization-specific policy related to the management of risks;
- Significant and major risks are identified and reported promptly to the LHIN in the manner outlined in the "NSM LHIN Risk Management Reporting Guidelines and Manual" (available on the NSM LHIN website);
- All significant and major risks are assigned action plans to mitigate likelihood and/or impact, and that status updates for unmitigated risks are provided to the LHIN periodically until the risk is no longer significant.

Satisfaction Survey Results Reporting to the LHIN

Health Service Providers will provide the LHIN with an annual summary of satisfaction survey results. The summary will include the reporting of at least:

- Total Number of Patients/Clients/Family Members surveyed for Client Satisfaction
- Total Number of Patients/Clients/Family Members responding positively in response to one of the following questions*:
    - "If you needed to be treated again, would you choose to come back to this organization/facility?";
    - "Would you recommend this organization/facility to your friends and family?"; or
    - "Overall, how would you rate the care and services you received at this organization/facility?"

* actual wording and definitions of "positive" may vary slightly based on survey design.

LHIN-SPECIFIC PERFORMANCE OBLIGATIONS

System Collaboration on Health Systems Planning and Design

Health Service Providers are required to collaborate with system partners to support the development of an integrated system of health services that provides person-centred, timely, equitable, accessible, high quality, and evidence-based services in an efficient, effective and sustainable manner. (Referred to as "Care Connections - Partnering for Healthy Communities" and "Care Connections Second Curve").

To ensure optimal alignment across the region, the Health Service Provider agrees that the development and submission of organizational plans and proposals to the LHIN will incorporate, where applicable, the following considerations:

- The needs of patients, clients and/or residents
- NSM LHIN System priorities (as outlined in the NSM LHIN Integrated Health Services Plan (IHSP), NSM LHIN Annual Business Plans, and NSM LHIN Annual CEO deliverables as posted on the NSM LHIN website)
- Feedback from LHIN Leadership Council and relevant Coordinating Councils

The Health Service Provider understands that as a partner in the local health system, it has an ongoing obligation to participate in the work and initiatives of all Coordinating Councils and Project Steering Committees, to the extent that it is able without impacting its capacity to meet its other obligations under this agreement. Such initiatives include, but are not limited to:

- Participation and collaboration of a LHIN-approved senior executive as a member of the oversight council ("referred to as the "Leadership Council"), a Coordinating Council and/or a Project Steering Committee to implement such recommendations as are agreed to by the Leadership Council and NSM LHIN Board of Directors
- Identification of Coordinating Council project leads and/or project champions
- Participation in regional/provincial planning and implementation groups
- Specific obligations as may be specified as a condition of participation in Council initiatives (outlined in the Project Charter for the initiative)

Risk Management Reporting to the LHIN

HSP Boards will ensure that:

- The health service provider has an organization-specific policy related to the management of risks;
- Significant and major risks are identified and reported promptly to the LHIN in the manner outlined in the "NSM LHIN Risk Management Reporting Guidelines and Manual" (available on the NSM LHIN website);
- All significant and major risks are assigned action plans to mitigate likelihood and/or impact, and that status updates for unmitigated risks are provided to the LHIN periodically until the risk is no longer significant.

Satisfaction Survey Results Reporting to the LHIN

Health Service Providers will provide the LHIN with an annual summary of satisfaction survey results. The summary will include the reporting of at least:

- Total Number of Patients/Clients/Family Members surveyed for Client Satisfaction
- Total Number of Patients/Clients/Family Members responding positively in response to one of the following questions*:
  - "If you needed to be treated again, would you choose to come back to this organization/facility?";
  - "Would you recommend this organization/facility to your friends and family?"; or
  - "Overall, how would you rate the care and services you received at this organization/facility?"

* actual wording and definitions of "positive" may vary slightly based on survey design.

Dear Mr. Chartrand:

Re: 2014-17 Multi-Sector Service Accountability Agreement (MSAA)

When the North Simcoe Muskoka Local Health Integration Network (the "LHIN") and Collingwood General and Marine Hospital (the "HSP") entered into a service accountability agreement for a three-year term effective April 1, 2014 (the "MSAA"), the budgeted financial data, service activities and performance indicators for the second and third year of the agreement (fiscal years 2015/16 and 2016/17) were indicated as "To Be Determined (TBD)" (or replicated based on 2014/15 planning assumptions). The LHIN would now like to update the MSAA to include the required financial, service activity and performance expectations for 2016/17 fiscal year to Schedules B, C, D and E.

Subject to the HSP's agreement, the MSAA will be amended with effect April 1, 2016, by adding the amended Schedules B, C, D and E (the "Schedules") that are included as an appendix to this letter.

To the extent that there are any conflicts between the current MSAA and this amendment, the amendment will govern in respect of the Schedules. All other terms and conditions in the MSAA will remain the same.

Please indicate the HSP's acceptance of, and agreement to this amendment, by signing below and returning one copy of this letter via email to Christine.Hunter-Dennis@lhins.on.ca **by March 31st, 2016.**

If you have any questions or concerns, please contact Allan.Marion@lhins.on.ca via email or by phone at 705-326-7750 ext. 211.

System Collaboration on Health Systems Planning and Design

Health Service Providers are required to collaborate with system partners to support the development of an integrated system of health services that provides person-centered, timely, equitable, accessible, high quality, and evidence-based services in an efficient, effective and sustainable manner. (Referred to as "Care Connections - Partnering for Healthy Communities").

To ensure optimal alignment across the region, the Health Service Provider agrees that the development and submission of organizational plans and proposals to the LHIN will incorporate, where applicable, the following considerations:

- the needs of patients, clients and/or residents
- NSM LHIN System priorities (as outlined in the NSM LHIN Integrated Health Services Plan (IHSP), NSM LHIN Annual Business Plans, and NSM LHIN Annual CEO deliverables as posted on the NSM LHIN website)
- Feedback from LHIN Leadership Council and relevant Coordinating Councils

The Health Service Provider understands that as a partner in the local health system, it has an ongoing obligation to participate in the work and initiatives of all Coordinating Councils and Project Steering Committees, to the extent that it is able without impacting its capacity to meet its other obligations under this agreement. Such initiatives include, but are not limited to:

- Participation and collaboration of a LHIN-approved senior executive as a member of the oversight council ("referred to as the "Leadership Council"), a Coordinating Council and/or a Project Steering Committee to implement such recommendations as are agreed to by the Leadership Council and NSM LHIN Board of Directors
- Identification of Coordinating Council project leads and/or project champions
- Participation in regional/provincial planning and implementation groups
- Specific obligations as may be specified as a condition of participation in Council initiatives (outlined in the Project Charter for the initiative)

Risk Management Reporting to the LHIN

HSP Boards will ensure that:

- The health service provider has an organization-specific policy related to the management of risks;
- Significant and major risks are identified and reported promptly to the LHIN in the manner outlined in the "NSM LHIN Risk Management Reporting Guidelines and Manual" (available on the NSM LHIN website);
- All significant and major risks are assigned action plans to mitigate likelihood and/or impact, and that status updates for unmitigated risks are provided to the LHIN periodically until the risk is no longer significant.

HQO-associated reporting to the LHIN

In accordance with the Excellent Care for All Act 2010, the Health Service Provider will prepare a Quality Improvement Plan (QIP) for submission to Health Quality Ontario (HQO) in a form prescribed by HQO on timelines established by that agency.

In addition to meeting this statutory obligation, the Health Service Provider agrees:

- To provide the LHIN with a draft copy of the QIP, upon request and in advance of its submission to HQO and posting to its website.
- To provide a copy of the organization's progress against the previous fiscal year's QIP priorities and targets (where applicable) in advance of its submission to HQO

In those few instances where a QIP may be egregiously out of alignment with LHIN direction, the LHIN would provide feedback to the organization as appropriate.

Satisfaction Survey Results Reporting to the LHIN

Health Service Providers will provide the LHIN with an annual summary of satisfaction survey results. The summary will include the reporting of at least:

- Total Number of Patients/Clients/Family Members surveyed for Client Satisfaction
- Total Number of Patients/Clients/Family Members responding positively in response to one of the following questions*:

"If you needed to be treated again, would you choose to come back to this organization/facility?";
"Would you recommend this organization/facility to your friends and family?"; or
"Overall, how would you rate the care and services you received at this organization/facility?"

* actual wording and definitions of "positive" may vary slightly based on survey design.
